

LIFE SUSAFRUIT project “Integrated pest management in sustainable and safe fruit production”

Organize

## **International symposium on sustainable fruit production (Action D 6.2)**

To be held

Terme Jezerčica, Donja Stubica, Croatia,  
March 21-24, 2016

### **FIRST ANNOUNCEMENT**

#### **Invitation**

Dear Colleagues,

The Organizing Committee of the **International symposium on sustainable fruit production** is pleased to invite you to attend the symposium that will be held in Terme Jezerčica, Donja Stubica, Croatia, March 21-24, 2016.

This international meeting is intended to gather scientists to present and discuss state-of-the-art on sustainable methods in fruit production, both in pre-harvest and post-harvest. However, other horticultural branches are welcome.

**There is no registration fee.** Advanced registration at <http://www.life-susafruit.eu/symposium.html> is strongly recommended in order to have detailed data about the number of participants. The excursion will also include visit to demonstration orchard where LIFE SUSAFRUIT project is implemented.

We would like to invite you to participate in this event. Hope to see you in Donja Stubica, Croatia in March, 2016.

#### **Main topics**

- Sustainable pre-harvest technology
- Sustainable post-harvest technology
- IPM in sustainable fruit production

In the case of high interest other similar topics may be added.

## Language

The official language of the symposium will be English.

## Publication of abstracts and papers

**Book of abstracts** will be published before the symposium. Reviewed papers will be published in the special issue of **Agriculturae Conspectus Scientificus** journal after the symposium. Details on full paper submission will be explained in second announcement.

Abstracts should be no longer than 1500 characters, including spaces. Authors should indicate preferred session and type of presentation (oral or poster), but the final decision will be made by the Scientific Committee.

## Official letter of invitation

An official letter of invitation to attend International symposium on sustainable fruit production will be sent upon request to those participants with an accepted abstract, requiring it for visa application or other purposes. Please note that such an invitation letter does not imply the assumption of any obligation, financial or otherwise, by organizer.

## Important dates

Abstract submission	January 11, 2016	Notification of abstract acceptance
February 1, 2016		
Submission of full manuscript		to be determined in second announcement.
